

2008 ONTARIO WINTER GAMES COLLINGWOOD, ONTARIO SPEED SKATING RANKING LIST

Clubs and Coaches,

The following lists indicate the athletes who have qualified for the 2008 Ontario Winter Games in Collingwood, and show a ranking of all athletes who applied for the games. Qualified athletes are identified in the list with a numeral beside their name, and alternate athletes are identified in the list with an "Alt" beside their name.

Qualified athletes and alternate athletes are required to review the 2008 Ontario Winter Games Participant Code of Conduct, the OSSA Code of Conduct, and complete the 2008 Ontario Winter Games Conditions of Participation and Waiver Form. An original copy of the completed 2008 Ontario Winter Games Conditions of Participation and Waiver Form is due to the OSSA office by January 31, 2008.

Information Manual

Annex B7: The Ontario Winter Games

Selection Criteria - Ontario Winter Games

Competition Categories:

Senior Open – Men and Women	AGE RANGE – 14–20	Junior, Intermediate and Senior Age Classes
Junior Open – Boys and Girls	AGE RANGE – 10–13	Midget and Juvenile Age Classes

Note: As of July 1 (prior to the skating season)

Selection:

- As there are a limited number of entries permitted by Games Organizers, skaters will be ranked according to their best 500m and 1000m times in the case of the Senior category, and their best 500m and 777m times in the case of the Junior category, skated within one year of the Games competition in a sanctioned event of OSSA, SSC or one of SSC's other affiliated Branches. The ranking is based on cumulative seed times submitted on the entry form. OSSA reserves the right to verify the seed times submitted.
If a seed time submitted is for an event outside of OSSA's competitive calendar, the skater's club is responsible for ensuring that the appropriate protocol is available for verification.
- All participants must be OSSA registered competitive members and have participated in a competitive sanctioned meet during the Games year.
- An entry form must be submitted in order to be eligible. Alternates will be established and will only travel to the Games if an eligible skater is unable to attend. Should this situation arise, the alternate will be contacted by telephone prior to the event.
- The Technical Committee may alter the selection process outlined in 1 and 2 above. Any such alteration must be announced in the Technical Bulletin.

Groupings:

Groupings are based upon the following criteria, in accordance with OWG instructions:

- To provide a level of competition that will increase the athlete's ability to attain national and international goals.
- The provision of opportunities for the community to view the Province's best amateur athletes.
- The stimulation of enthusiasm and participation in amateur sport in order to achieve a higher level of physical fitness in the Province.
- To allow participation by the maximum number of skaters permitted by the organizers based upon a workable number of competitors for the all points format.
- To allow as many skaters as possible in each age group to compete for medals.
- To the extent possible, a balance of both female and male athletes in all age groups.
- The number of skaters registered per age group.

Ontario Winter Games Competition Format
