

**CAMBRIDGE**  
Speed Skating Club

**Dear Corporate Contributors,**

## **Help support local athletes in achieving their goals!**

Cambridge Speed Skating Club “Short Track” Speed Skaters

Your support will assist our athletes to follow their dreams to reach the highest levels in international and national events as well as National Senior and Junior selection competitions.

In conjunction with the Cambridge Speed Skating Club, we are planning on operating a silent auction to raise funds to support both former & current athletes of the club, who now currently train not only locally but in Calgary and Montreal. Recently our very own Dustin Miller, qualified 13<sup>th</sup> nationally, to take part in the Canadian National World Cup Trials, held in Calgary. Dustin finished the three day event in 8<sup>th</sup> position overall and 4<sup>th</sup> in the 500, qualifying him for the World Cups 3&4, held in Changchun & Shanghai, China respectively. Kristi Shoebridge also competed in the event finishing 12<sup>th</sup> overall. We as a club are absolutely ecstatic of their success. Other up and coming CSSC members include Keri Morrison, Taylor Schmidt, and Hayley Roberts who are also moving their way up the rankings and are planning on attending high level selection meets during the 2010-2011 season.

At this time we would like to request a donation of an item for the silent auction. Big or small we will take them all in support of this opportunity. The auction will be run during the first Ontario Cup provincial competition, sanctioned by Speed Skate Canada and Ontario Speed Skating Association. The meet will be held at the Hespeler Arena, Ellis Road, Cambridge on November 6-7, 2010. We welcome you and your family to come out and watch the competition and see the next group of young athletes compete. This competition is very important to some of our skaters to get qualifying times for the Canada Winter Games Selection that will be taking place November 27-28<sup>th</sup>, in Gloucester.

On behalf of Cambridge Speed Skating Club, we would like to take this opportunity to thank you for any contribution you may be able to donate, to assist the athletes in achieving their dreams and aspirations. If it is easier for you to contribute with a monetary donation, please do so and we would be happy to purchase a gift for the silent auction on your behalf.

Sincerely,

Cambridge Speed Skating Club & Their Parents
